INDEPENDENT AUDITOR'S REPORT

To the Members of Maharashtra State Farming Corporation Limited.

Report on the Financial Statements:

We have audited the accompanying financial statements of Maharashtra State Farming Corporation Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss for the year then ended 31st March 2016, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on financial statement

Basis for Qualified Opinion

- i. The company has prepared a cash flow statement, however, there are some deviations from the requirements under AS 3.

- ii. The corporation maintains its books of accounts in manual form and computerized accounts are unavailable. So the impact of internal controls in areas like cut-off procedures and ascertainment of necessary accounting adjustments, compilation of certain vital reconciliations, accounting of certain expenses and income etc. of the same on the financial statements cannot be ascertained.
- iii. No confirmations have been obtained with regards to Sundry Creditors for Materials, Sundry Creditors for Assets and Other Advances of Rs.4530945, Rs.1023310 and Rs.82522451 respectively, as shown in Schedule 3C. Also, the Company chooses to show these liabilities as Long Term. Therefore the effect of these items on the Financial Statements cannot be ascertained.
- iv. **Expenses Written Back:**
 - a) We would like to invite attention point 'd' of the Schedule 3 of the Balance sheet. Accordingly Rs. 25,91,244 are written back - ie. Removed from liability - by the management with the approval of the Managing Director of the corporation. This amount pertains to Sundry Creditors for Other Finance - which have been outstanding for more than three years. These include creditors for miscellaneous purchases and expenses incurred by the corporation. No confirmations have been obtained from the said Creditors.
 - v. Provision as appearing in Schedule 4D include Rs.3,28,16,498 towards Agricultural Income Tax, which is appearing in the books since more than 1983-84, but which has not been paid to the government nor is any confirmation obtained which quantifies the liability. It is being carried forward at the same historical value without any interest or penalty, if any.
 - vi. Provision for Gratuity provided for as per Schedule 4D is based on reasonable estimates made by the management. However, it is not based on any actuarial valuation, hence not as per AS 15 - Employee Benefits. Also, the entire amount has been classified as a Current Liability even though it is not expected to be paid within twelve months from the reporting date.
 - vii. Accounting for valuation of Fixed Assets is not in accordance with the AS - 10 due to the following reasons-
 - a) **Disputes in Valuation**
 - i. As explained by the management, the valuation of these assets was done by the Government of Maharashtra in the year 1963-65, but are disputed ever since. The sugar factories from whom the assets were acquired have not finalized the sale transactions as they have not agreed with the Valuation of the asset done by Government of Maharashtra. As such, various litigation are pending in this regard in various courts.
 - b) **Inadequate Record-keeping and physical verification**
 - i. The Company has not maintained adequate records showing full particulars including quantitative details and situation - present location as well as present condition - of fixed assets including the records in respect of land. It is informed to us by the management that fixed assets registers were initially prepared, but the same were not updated over a period of time.
 - ii. The fixed assets have not been physically verified by the management since about past more than six years. As such, reasonability of intervals of fixed asset verification are inadequate.
 - c) **Disputed assets:**
 - i. As stated in point b of schedule 5, the Company has provided depreciation of Rs.54906 on certain assets without capitalizing the same. As explained by the management, these assets valued at Rs.35,26,217 by the government of Maharashtra are disputed from the year 1963-65 and the sugar factories from whom the assets were acquired have not finalized the sale transactions as they have not agreed with the Valuation of the asset done by Government of Maharashtra.
 - ii. As against this Rs. 35,26,217 company has advanced only of Rs. 31,99,537. Remaining amount is neither paid by the company nor acknowledged as a debt or liability by the company.
 - d) **Acquisition of Land by Government:**
 - i. As stated in point (c.) of Schedule 3 and point (e.) of Schedule 5, land admeasuring 1480 acres has been acquired by the government authorities. Total compensation received up to

- 31.3.2016 is Rs. 465.41 lakhs. This amount is shown as a Non-Current Liability under the head “Sundry Creditors for Others” since the legal title in the land is still with the company and final settlement (Award) is still pending. At the same time, the corresponding assets are not removed from assets of the company. Although the land is no more in the control of the company and it has physically been acquired by the government, the company continues to disclose the land under the head fixed assets, which in our opinion, is incorrect.
- ii. Because of above accounting, Profit / Loss is neither quantified nor accounted on compulsory acquisition of land by government.
- e) Distribution of land to ex-lessors**
- i. As disclosed in point (e.) of schedule 4, land admeasuring 13,580 acres have been ceded in favour of the ex-lessors in the year 1970. Another lot of land actually distributed at present is 22563 acres. However as per the para (i) of Schedule 4, quantum of land to be distributed in this process will be available only after completion of the entire process. That means, as on the date of Balance Sheet, it is not ascertainable as to how much more land will be required to be further distributed in this manner.
 - f) The details and proper documentary evidence of the land to be distributed back to the Ex-Lessor were not made available to us for verification. However, management has given a representation that there has been no irregularity in the process.
 - g) Also, 1215 acres of land of the Company has been encroached upon. As explained to us, matters related to these encroachments are pending in various courts. We have been unable to ascertain the extent of contingency involved in this regard. The Company has not assessed whether any impairment provision - as appropriate under AS 28 - in this regard is required to be made in the books of account.
- viii. We have not examined the entire land distribution process.
 - ix. The amount of Rs. 53,40,854 shown as Capital Work in Progress, details of which are given in Schedule 5, is actually an Advance given by the company to the Government with regards to acquisition of an Asset. As such, this amount has been wrongly classified as Work in Progress. Also, no proper disclosure regarding the type of assets and their present location and condition are provided.
 - x. Non-Current Investments, as shown in Schedule 7 are mostly pertaining to Unlisted Equity Shares, for which, no active market exists. Hence, their Fair Value is not readily available. The Management agrees that there has been a diminution in the value of these securities, however it is of the opinion that such reduction in value is of temporary nature, hence no Provision for Diminution is provided against these Investments.
 - xi. Inventories with regards to agro-forestry and horticulture as shown in Schedule 9 and Schedule 15 are held by the Company at various locations. It comprises of Standing Crops amounting to Rs. 3,96,95,371. However, in our opinion, the accounting policy and methods adopted by the company for determining their value is not in confirmation with AS-2 because –
 - a) The inventories have not been physically verified by the management. Also quantity records and valuation of the same were not made available to us. We are of the opinion that the procedures of physical verification of inventory followed by the management are inadequate in relation to the size of the Company and the nature of its business.
 - b) Opening stock of agro-forestry and horticulture is valued at historical cost and value of sale of agro-forestry made during the year is reduced from the opening stock to arrive at closing stock. Our opinion is that this is not an appropriate Accounting Policy.
 - c) No provision has been made in respect of non-moving, obsolete, spoilt or damaged inventories, if any, especially with regards to Inventories of agro-forestry and horticulture.
 - d) The impact, if any, on the financial statements due to the above cannot be ascertained.
 - xii. No confirmation has been obtained by the Company with regards to the Trade Receivables / Sundry Debtors shown in the Balance Sheet (as per schedule 10), major part of which has been under litigation and outstanding for more than last three years. Their balances are pending reconciliation. The effect of this reconciliation cannot be ascertained especially considering that they have been pending for a long period.
 - xiii. Short Term Loans and Advances (schedule 12) of Rs. 80,30,000 have been deposited by the Company in the Court against a claim by a contractor. In our opinion, this amount should be classified as Secured Advance since the amount is recoverable only if the Company wins the litigation. Thus, in our opinion

it should be disclosed as a Contingent Asset or a Possible Future Benefit in Schedule 18 - Notes to Accounts. It should not be recognized in financial Statements as per AS 29 since its realization is not virtually certain.

- xiv. Also, other Short Term Loans and Advances shown in Schedule 12 have also not been confirmed by any parties / debtors
- xv. In Schedule 12, Amount of Rs.2,01,23,319 has been outstanding for more than three years. However, Management is of the opinion that they are Short Term and are likely to be recovered in the Financial Year 16-17.
- xvi. Indirect Income - Other Income, as shown in Schedule 14, includes Rs.3,49,78,799 which are on account of Interest on Delayed Payments on Sugarcane Dues. This amount is subject matter of litigation. However, management is of the opinion, that this income should be recognized on accrual basis as per the Hon'ble Court's order
- xvii. Depreciation calculated on Tangible Assets as shown in Schedule 5, is as per SLM method. However, this Depreciation is not as per the Depreciation Rate Chart given in Part C of Schedule II of the Companies Act 2013. The useful life of many of these assets is beyond the prescribed useful life in these schedules. In our opinion, if the Company wants to adopt a useful life different from what is specified, it is required to provide justification in this behalf duly supported by technical advice. However, it has not done so.
- xviii. Since there is a Timing Difference between Depreciation as per Income Tax Act 1961 and as per Companies Act 2013, as per AS-22, Accounting for Taxes on Income, there should have been either a deferred tax asset or a liability. However, since the Company has not made any provision for deferred tax, it is not an appropriate accounting policy.

xix. Confirmed Statutory Dues not accounted for

- a) Service tax payable on rent received from properties given on lease is not computed *ab initio* and not provided for in the accounts. As such, Service Tax liability is a part of accepted statutory dues, whose value has not been ascertained.

xx. Contingent Liabilities - as per AS 29

- a) A provision for payment of outstanding dues towards Sales Tax / VAT has been made under Schedule 4C- Other Current Liabilities, for an amount of Rs.320,680. However, due to non availability of assessment orders and other documents in respect of VAT, etc. we are unable to comment on the adequacy of provisions.
- b) Also, in the absence of any proper legal opinion, we have not been able to satisfactorily ascertain the effect of various litigation pending against the Company and also, litigation initiated by the Company against other parties.

The company has not maintained any Register for contracts or arrangements in which directors are interested, as required under Section 189. However, we have received a Management Representation in this regard that the Directors of the company are not interested in any arrangements and contracts of the Company.

- xxi. Details regarding disclosure of remuneration of Key Managerial Persons and Related Party Transactions as required under the Act and as per the Accounting Standards AS 18 and Ind AS 24 have not been adequately complied by the company.

Qualified Opinion

Except for the effect of matters described in the Basis for Qualified Opinion paragraph, in our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2016.

Emphasis of matter

1. No accounting done for lease rent payable to ex-lessors.

We are informed that the lease rent was being paid to ex-lessors till 1982. After that neither the lease rent was paid nor provision was made for lease rent payable to the ex-lessors though the land was occupied and used by the corporation. However, as informed to us these lands were earlier not under the ownership of the Company upto 1982. Therefore rent was being paid. Thereafter, since the lands were under the ownership of the Company, rent payments were discontinued.

2. Contingent Liabilities

The details and supporting documents explaining the nature and amounts for contingent liabilities (including in respect of removal of vedi babhool trees) as disclosed in Schedule 19 Notes on Accounts were not made available for our verification, in certain cases. However, we have relied on Management's Representation with regards to the correctness of disclosures and adequacy in this regard.

3. Impact of Pending Litigation:

The Company has not appropriately disclosed the impact of pending litigations on its financial position in its financial statements. In our opinion, a list of various legal suits pending against the company and a legal opinion of the same should have been provided.

4. Accumulated Losses:

The accumulated losses of the company as at the end of the year ended March 31, 2016 are Rs. 2,34,88,12,297 which are more than its net worth. However, being a Government concern, all these losses have been absorbed by government grants and loans. As such, going concern assumption cannot be doubted. Effect of this fact on the financial statements is not ascertained.

5. Corporate Governance: Following are the examples of not good Governance.

- a) Carrying forward frivolous amounts of payable without any adjustment and rectification
- b) No efficient accounting policy, as far as Land is concerned.

6. Government Dues –

- a) **Undisputed Agricultural Income Tax** pertaining to years 1972-73 to 1983-84 is Rs. 3,28,16,498 - which has not been paid or settled till date.
- b) The liability of Rs.227,64,03,374 shown as Short Term Borrowings in schedule 4A, is payable by the Company to the Govt of Maharashtra and is subject to confirmation. The preceding years balance is reduced by Rs.20.95 crores, out of which Rs.17.2 crores has been on account of payment while Rs.3.75 crores has been transferred to Government Dues in Non-Current Liabilities under Schedule 3C point number 5.

7. Manual Accounting - the Company maintains its books of accounts in manual form and hence may be prone to clerical mistakes. Computerized accounts are unavailable.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. However, due to inadequate record keeping, some of the information required could not be made available to us by the company.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The company has operations at various locations. However, no separate auditors were appointed for the Branch.
 - d) The company has maintained proper books of accounts as required under the act. However, there have been some lapses in this regard as various Accounting Standards have not been complied with. Also some policies, like depreciation calculation are not as per the new Companies Act and the company continues to follow its old accounting policies.
 - e) In our opinion, the aforesaid financial statements do not comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - f) The matters described in the Basis for Qualified Opinion and Emphasis of Matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - g) Directors of the Company are appointed by the Government of Maharashtra. We have relied on the Management's Representation that the persons appointed have not violated any conditions under Section 164(1) and 164(2), and hence they are not disqualified to be appointed as Directors.
 - h) All qualifications, reservations and adverse remarks with respect to maintenance of accounts and other matters connected therewith, have been put forth in the Basis for Qualified Remark and Emphasis of Matter paragraphs.
 - i) In the absence of proper records, there is not adequate traceability of each transaction entered into by the company at its various farms. Management is of the opinion that since all financial transactions are Centrally monitored, there is sufficient internal financial control. We have relied on the management's representation that they have maintained adequate internal financial control system.

Annexure - A to the Auditors' Report s

The Annexure referred to in Independent Auditors' Report to the members of Maharashtra State Farming Corporation Limited for the year ended 31 March 2016, we report that:

- I. The Company is not maintaining adequate records showing full particulars including quantitative details and situation - location as well as present condition - of fixed assets including the records in respect of land. As is informed by the Management, fixed assets registers were initially prepared, but the same were not updated over a period of time.
 - (a) The fixed assets have not been physically verified by the management since about past more than six years, due to which reasonability of intervals of fixed asset verification are inadequate. Consequently, the material discrepancies, if any, have not been ascertained by the management.
 - (b) During the year, the Company has not disposed of substantial part of the fixed assets so as to affect its going concern status.
- II. (a) According to the information and explanations given to us, the inventories except agro forestry, horticultural and other plantations have been physically verified by the management at the end of accounting year. In our opinion, the frequency of such physical verification is not reasonable since the inventories of agro forestry, horticultural and other plantations, which form significant portion of inventories, have not been verified
 - (b) The Company has not maintained proper records in respect of inventories. Since the physical verification of various plantations, agro-forestry and horticultural inventories has not been carried out, the discrepancies, if any, have not been ascertained by the Company.
- III. As per the information given to us, the Company has not maintained the register as per provisions of section 189 regarding loans taken granted , secured or unsecured, to or from companies, firms or other parties covered in the register to be maintained under section 189 of the Act., due to which we are unable to comment upon whether any such loans were taken/given or otherwise.
- IV. In our opinion and according to the information and explanations given to us, the present internal control system needs to be strengthened so as to make it commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and also for the sale of goods. However, we have not observed any continuing failure to correct major weaknesses in internal control system.
- V. The Company has not accepted any deposits from the public covered under 73 to 76 of the Companies Act 2013..
- VI. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.

VII. In respect of statutory dues:

The Company does not have a system in place for compiling the reconciliations showing year wise/month wise opening balance payable, amounts payable during the year, amounts paid during the year and year wise / month wise closing balance payable in respect of provident fund, tax deducted at source, Sales tax / VAT, Land Revenue / Local Taxes, Professional tax and Labour Welfare Fund. Further, the Company has not compiled the details in respect of the arrears of undisputed statutory dues as at March 31, 2016 which are outstanding for a period of more than 6 months from the date they become payable. In

view of above, we are unable to comment on statutory dues outstanding for a period of more than 6 months as at March 31, 2016. Our specific observations are as under:

- (a) We are unable to comment on regularity of payment of sales Tax / MVAT for want of schedule and other information in this regard.
- (b) The undisputed Agricultural income Tax payable, pertaining to the years 1972-73 to 1983-84 is Rs. 3,28,16,498.
- (c) The Company has not ascertained service tax payable on rent received from properties given on rent for the year period from June 30, 2009 till 31st, March 2016.
- (d) In the absence of records, we are unable to ascertain if any other statutory dues are pending with respect to property taxes, etc.

VIII. The Company has not raised any funds from the financial institutions, banks or by way of issue of debenture. However it has taken loans from the Government of Maharashtra from the year 1963 onwards, to meet its salary, establishment and day to day expenses. As on 31st March 2016, the amount of outstanding loan as per Schedule 3A is Rs. 227,64,03,374. Also, Sundry Creditors for Other Finance covered in Schedule 3C, has an amount of Rs. 3,75,00,000 as Government Loans and Advances Payable. Besides this, 50% of rent receivable from Canara Bank is also payable to the government as per their mutual agreement. This amount is covered in Sundry Creditors for Other Finance under Schedule 3C. However none of the amounts have been confirmed by the Government of Maharashtra and hence cannot be Confirmed.

IX. As per the information provided to us, no fresh capital or loans were raised by the company during the year ended 31st March 2016.

X. According to the information and explanations given to us, no material fraud by the company or on the Company by its officers or employees has been noticed or reported during the period of our audit.

XI. According to the information given to us and based on our examination of the records of the company, the Company has not paid/provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of 197 read with Schedule V to the Act. However, we have been informed that managerial remuneration paid to managing director and other key personnel is as per policy of state government.

XII. In our opinion and according to the information given to us, the company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

XIII. The company has maintained a register of Directors and Key Managerial Persons and their shareholdings as required under section 170 of the Act. However, the company has not maintained any Register for contracts or arrangements in which directors are interested, as required under Section 189. As such, all details regarding Related Party Transactions as required under the Act and as per the Accounting Standards AS 18 and Ind AS 24 have not been complied by the company. - management representation

XIV. According to the information and explanations given to us and based on our examination of the record of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

XV. According to the information and explanations given to us and based on our examination of the record of the company, the company has not entered into non cash transactions with directors or persons connected with him Accordingly, paragraph 3(XV) of the order is not applicable.

XVI. The Company is not required to be registered under 45-IA of the Reserve Bank of India Act 1934.

Note :-

- Fixed assets are stated at cost net of accumulated depreciation. Cost includes purchase price and all directly attributable costs incurred to bring the asset to its working condition for its intended use including duties and other non-refundable taxes in respect thereof. No fixed assets have been revalued during the year.
- The Schedule of Fixed assets does not include Land and building on non-agricultural land Rs. 34,14,148 /- and Other assets Rs. 1,12,069/- (Total Rs. 35,26,217/-) because of pending verification of titles and final settlement of the transactions. These assets are in possession and in use of the Corporation.
However, depreciation Rs.54,906/- has been charged to Profit & Loss account in respect of assets shown above. Accumulated depreciation is shown under Current Liabilities. Total advances of Rs.31,99,537/- have remained unadjusted pending settlement against the cost of Rs.35,26,217/- . [Please ref. Sch.3ABCD note (g)]

- c) Land (including permanent and temporary structures thereon) at Sadashivnagar, the value of which is not available as no awards have been declared so far for the unit. However, the Corporation has paid an amount of Rs.7,63,797/- (Sadashivnagar) ad-hoc rent to the ex-lessors on demand from government in respect of the above unit. This payment is to be adjusted against the award, and is shown as Advance against assets in " Capital Work In Progress ".
- d) Out of the land of 3405 acres in respect of one unit Sadashivnagar Farm as stated in Sch.3BCD note B , 681 acres of land are ceded in favour of ex-lessors. There being no award, the value of these lands is not ascertainable. Area of 11 acres has been acquired by Government Authority.
- e) In respect of other Thirteen Units (excluding Sadashivnagar), the position of land holdings is as under -

Sr. No	Particulars	Acres
1	In possession and use	43,121
2	Total land to be distributed to the exlessors 26066.69 acar. Up to 31-03-2016 total land distributed. (Ref. Note No. i)	22,563

5	Acquired by government	1,480
6	Surrendered by Corporation	111
7	Sold	14
8	Deleted by Collector Land Ceiling	148
	Total	82,232

- f) There being no final decision as to price/value of lands, awards, etc., from the Authorities, the liabilities and assets referred to in forgoing paragraphs and as shown in the Balance-Sheet are subject to alterations which may have consequential effect on the Profit & Loss and assets of the Corporation.
- g) Out of the total land of 82,232 acres in respect of 13 farms, 404 acres of land has been encroached and the matters are pending in the Court.
- h) The cost of land stated in the Balance Sheet is without giving effect to the cost for land acquired by the various authorities.
- i) Maharashtra Agricultural Land (Ceiling on Holding) Act 1961 was amended by the Maharashtra Act No. XVII of 2003. By virtue of this amendment, the ex-lessors, who had previously leased their lands to the Sugar Undertakings and subsequently such lands which were handed over to the Corporation, are now entitled for grant of land up to one ceiling unit. Constitutional validity of the Mah. Act No. 17 of 2003 was challenged by the Representative Labour Unions by filling the W.P. No. 2978/2003 in the High Court of Judicature at Bombay, Bench at Aurangabad. The Hon'ble High Court had dismissed the same W.P. by Judgment Dt.23-09-2005. Being aggrieved by the decision the Representative Labour Unions had filed Appeal No. 462 of 2006 before the Hon'ble Supreme Court, New Delhi. The said Appeal has also been dismissed by the Hon'ble Supreme Court, New Delhi vide its order dt. 30th August, 2011.).

Considering the above decision, the ex-lessors are now entitled for grant of lands, upto one ceiling limit. The State Government has issued " Government Resolution " regarding 13farms on various dates with a view to grant the lands to such ex-lessors. The lands are being distributed by the Government as provided in Section 28-1 AA (3) of the M.A.L. Act. Government Resolution. Up to 31-03-2016 total land actual distributed to the ex-lessors is 22563.09 acres. However the figures of quantum of lands distributed in this process would be made available only after completion of entire process. The cost of land stated in the Balance Sheet is excluding the land of ex-lessors and hence does not affect due to these alterations.

Contd.

- j) Impaired Assets under AS 28 is worth Rs. 8,694/- (Previous year Rs. 2,36,411/-).
- h) The Schedule of Fixed assets does not include the following assets, pending verification of titles and final settlement of the transactions. These assets are in possession and in use of the Corporation.

Particulars	Rs.
Land and building on non-agricultural land	34,14,148.00
